

**ATTENTION
to GGP Applicants**

Grant Assistance for Grassroots Human Security Projects (GGP) in fiscal year 2018 was calling for application until 30 June, 2018.

In July 2, the Embassy has completed sending confirmation letters to applicants whose applications were duly received by the Embassy.

However, numbers of reports have been claimed to the Embassy that some applicants have failed to submit their applications due to irregular technical problems.

If you have not received a confirmation letter from the Embassy, please immediately forward your email sent to embjp@yv.mofa.go.jp to taiki.kohno@yv.mofa.go.jp.

Thank you for your attention and we apologize for the inconvenience caused you.
