

On September 5, Introduction of Japan was conducted at Stepanavan N.2 School and Vanadzor N.3 School

On September 5, 2018, introduction of Japan was conducted at the school N. 2 in Stepanavan and school N. 3 in Vanadzor. Staff member of the embassy as well as Ms. M. Martirosyan, who studied in Japan for one year, introduced Japan based on their experience. Both schools were full of students and everyone gained great interest towards Japan. Origami was introduced as the part of the traditional culture.
