

**Grant Assistance for Grassroots Human Security Projects FY2016:  
Completion Ceremony of “The Project for Improving the Quality of Children Rehabilitation Services and Care in Aragatsotn Region”**

On March 28<sup>th</sup>, 2017, a Completion Ceremony of “The Project for Improving the Quality of Children Rehabilitation Services and Care in Aragatsotn Region” within the frameworks of Grant Assistance for Grassroots Human Security Projects was held at Armenak and Anna Tatevossian’s Medical Center in Kosh Village, Aragatsotn Province. The ceremony was attended by Mr. Eiji Taguchi (Ambassador to the Embassy of Japan) and Dr. Zaven Koloyan (Director of the Medical Center).

The project aimed to improve the quality of rehabilitation service for vulnerable population, particularly targeting handicapped children from the poorest family in the country. The service is provided free of charge and it serves for more than 200 patients in annual. The Grant Contract (G/C) was signed between the Embassy of Japan and Armenak and Anna Tatevossian’s Medical Center on March 23<sup>rd</sup>, 2017. Total amount of USD 38,641 was funded by the Government of Japan.
