

Grant Assistance for Grassroots Human Security Projects FY2018:

Completion Ceremony of

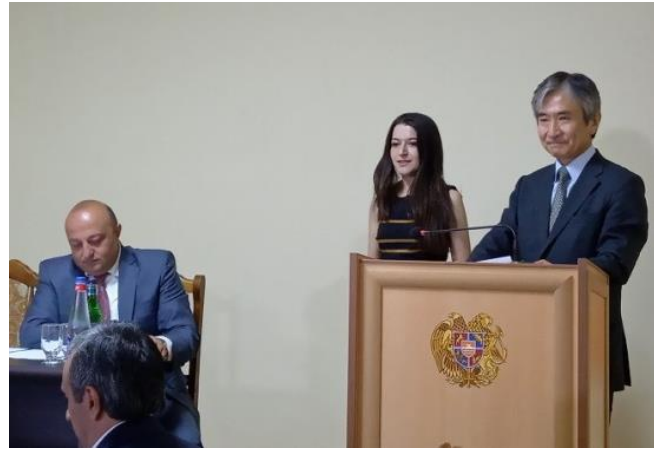

“The Project for Provision of Garbage containers for separation in Sisian city”

On August 5st, 2019, the Completion Ceremony of the Grant Contract for The Project for Provision of Garbage containers for separation in Sisian city” USD 19,914 (JPY 2,230,368) within the frameworks of Grant Assistance for Grassroots Human Security Projects (GGP) of Japan was held in Sisian city, Syunik Region. The Ceremony was attended by Mr. Jun Yamada, Ambassador of Japan to Armenia, Ms. Nune Ghazakhetsyan, Executive Director of the Urban Foundation of Sustainable Development (UFSD) as well as Mr. Artur Sargsyan, the Mayor of Sisan city, and others.

The project aimed to provide 80 garbage bins for the mixed waste in Sisian city enabling the efficient and effective separation of the garbage into the plastic and other waste. It is expected to improve the capacity of the waste management and recycling of the city where 16,000 citizens reside. As a result, it is also expected that the social issues related to the garbage and waste disposal problems in Southern-east region of Armenia will be improved and natural preservation activities through the separation and recycling of the garbage will be promoted.
