

Japan Participated in the 1st Armenian International Photo Festival

On September 3, Ambassador Yamada attended the presentation of the exhibited works including those of Japanese photographers within the framework of 1st Armenian International Photo Exhibition (supported by JTI and others) at the State Academy of Fine Arts of Armenia.

The event was hosted by the organizer of the festival, photographer Ms. Mnatsakanyan, and the President of the Academy of Fine Arts, Mr. Isabekyan. Students of the Academy and others also attended and appreciated the exhibited works including those of two Japanese photographers.

Four Japanese photographers' works are exhibited at various venues in Yerevan.
