

Presentation about Japan at Basic school N 5 in Ijevan

On October 03, 2019 (Thu), the Embassy of Japan in Armenia held the event, introducing Japanese society and culture at Basic School N 5 in Ijevan.

The Embassy staff, in cooperation with Ms. Christine Zakaryan, a Japanese language teacher at Russian-Armenian University, who has studied at Tsukuba University in Japan for one year, made a presentation based on their own experience. The hall was full of pupils who asked many questions. After the presentation and the question-and-answer session, the Embassy staff introduced Japanese traditional origami and guided the students in preparing paper cranes.
