(novel Coronavirus)

May 25, 2021

Please see [this page \(Cabinet Secretariat website\)](#) for latest information about the border enforcement measures to prevent the spread of variant (B.1.617) confirmed for the first time in India.

1. Regarding denial of landing

Regarding COVID-19 (novel coronavirus), which is spreading throughout the world, based on Cabinet approval on January 31, 2020 and the announcement by the Novel Coronavirus Response Headquarters, and so on for the time being, the Ministry of Justice considers foreign nationals who hold the record for staying in the countries / regions listed in attached table 1 within 14 days before the day of application for landing to be foreign nationals who fall under Article 5, paragraph (1), item (xiv) of the Immigration Control (See note 1) and Refugee Recognition Act (hereinafter referred to as the “Immigration Control Act”) and unless there are **special exceptional circumstances**, the foreign national will be subject to denial of landing. From May 21, 2021, Cambodia, Sri Lanka, Seychelles, Saint Lucia, Thailand, East Timor and Mongolia will be added to the countries/regions subject to denial of permission to enter Japan and unless there are special exceptional circumstances, the foreign nationals will be subject to denial of landing.
