

**Grant Assistance for Grassroots Human Security Projects FY 2021:
Completion Ceremony of the Grant Contract for
“The Project for Provision of Medical Equipment to Hematology Center”**

On January 13, 2023, the Completion Ceremony of the Grant Contract for “The Project for Provision of Medical Equipment to Hematology Center” up to USD 92,772, within the framework of Grant Assistance for Grassroots Human Security Projects of the Government of Japan was held at Hematology Center in Yerevan.

The Ceremony was attended by Mr. FUKUSHIMA Masanori, Ambassador of Japan to Armenia, Dr. Lena Nanushyan, First Deputy Minister of Health of the Republic of Armenia and Dr. Samvel Danielyan, Director of the Hematology Center, as well as medical professionals and staffs of the Center.

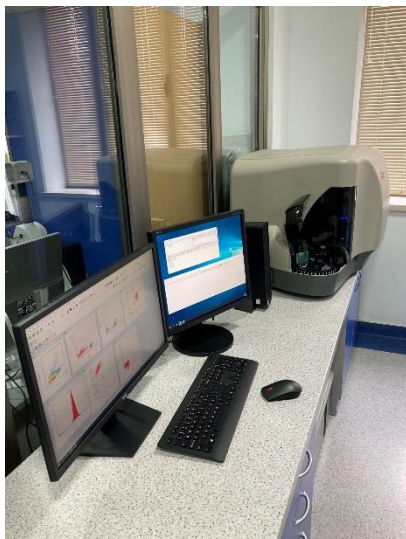

The Project aims to strengthen the system of blood cancer diagnosis by installing a new medical equipment in the Hematology Center and to further improve the quality of medical care in the country. As a result, approximately 400 cancer patients annually benefit from the Project.

Speech by Ambassador Fukushima (from left, First Deputy Minister Dr. Nanushyan, Director Dr. Danielyan and Ambassador Fukushima)
