

Grant Assistance for Grassroots Human Security Projects FY 2021:

Completion Ceremony of

“The Project for Enhancing Waste Management Capacity and Promoting Recycling in Armavir City”

On January 27, 2023, the Completion Ceremony of the Grant Contracts for “The Project for Enhancing Waste Management Capacity and Promoting Recycling in Armavir City” up to USD 82,603 within the framework of the Grant Assistance for Grassroots Human Security Projects of the Government of Japan was held at Armavir City in Armavir Region

The Ceremony was attended by Mr. FUKUSHIMA Masanori, Ambassador of Japan to Armenia, Mr. Eduard Hovhannissyan, Governor of Armavir region, Mr. Davit Khudatyan, Mayor of Armavir, and Dr. Mkhitar Avetisyan, President of "Innovative Solutions for Sustainable Development of Communities (ISSD)" NGO, as well as various stakeholders including the city council members and leaders from nearby municipalities.

The Project aims to improve solid waste management system in Armavir City by installing 107 waste sorting bins in both indoor and outdoor public space, and equipping molding machine and forms that produce stationaries from the collected plastic wastes. As a result, the entire population of approximately 37,000 people benefits from the Project.

Speech by Ambassador Fukushima

Installation of the sorting bin (from left, Governor Hovhanissyan, Ambassador Fukushima and Mayor Khudatyan)

Provided molding machine

Produced piece of stationary (pen cap)
