Grant Assistance for Grassroots Human Security Projects FY 2024: Signing Ceremony for the Project for the Rehabilitation and Enhancement of Water Supply Infrastructure in Tashir Community

Yerevan: October 1st, 2024

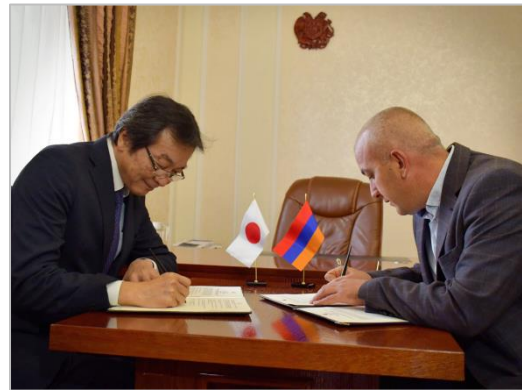

On October 1st, 2024, the Signing Ceremony of the Grant Contract (up to USD 72,844) for the Project for the Rehabilitation and Enhancement of Water Supply Infrastructure in Tashir Community within the framework of Grant Assistance for Grassroots Human Security Projects (GGP) FY 2024, was held in Tashir of Lori Province.

The Grant Contract was signed between Mr. AOKI Yutaka, Ambassador of Japan to Armenia and Mr. Norayr Baghdasaryan, the Deputy Mayor of Tashir Municipality. The ceremony was also attended by local government representatives and stakeholders of the project.

This project aims to improve the water supply infrastructure in Tashir, Lori Province, by rehabilitating and enhancing a 15km section of the water pipeline. As a result of the project, approximately 12,300 residents in 11 villages of Tashir Community, including about 700 displaced persons from Nagorno-Karabakh, will have stable and continuous access to drinking water. This will significantly improve the quality of life for local residents and reduce the economic burden on the displaced persons.
